THE HOTEL

a story of light, air and sea

Kallos of Mykonos is a fully renovated, intimate retreat – a harmonious collection of four houses, three studios, two suites and one private villa, crafted in the spirit of traditional Mykonian architecture, where minimalism meets warm, earthy tones.

Set within a private 5,000 m² estate that cascades over gentle levels, every lodging enjoys an unobtrusive, panoramic view of the Aegean across Ornos, Korfos and Mykonos Town. Built for absolute privacy, family-friendly comfort and slow island living, Kallos is an ode to a beauty that is not merely seen, but first and foremost felt.
