Let's make your dream a reality

Petinos' Events Of Mykonos brings together a curated portfolio of luxury venues across the hotels and restaurants of Petinos' Resorts Of Mykonos: romantic ceremony spaces, open-air dining terraces, beachfront restaurants, refined conference rooms and a hall for nine hundred guests, all minutes apart on the island's south-west coast.

Our family has welcomed the world to Mykonos since 1969, when the first Petinos taverna opened on Platis Gialos beach. Today the third generation runs multiple five-star hotels, their restaurants and the OPA! Greek Party, and one team plans every wedding, private celebration and corporate programme from the first call to the farewell brunch.

This booklet is built to be clicked: choose your occasion, browse the venues suited to it, and open any venue for its full profile.

WEDDINGS

Say yes to the Aegean

There is something timeless about celebrating love in Mykonos: the whitewashed architecture, the sea, the light, the sense of arrival. Through Petinos' Events Of Mykonos, couples, planners and families find wedding venues that combine atmosphere with hospitality, from the intimate ceremony setting of Agia-Fotini Private Chapel to open-air dining terraces, beachfront restaurants and a hall for six hundred guests, all within one family collection.

Our approach is not only about the venue itself. It is about creating the right emotional setting for vows, dinners, gatherings and the overall guest experience. With luxury accommodation across the hotels of Petinos' Resorts Of Mykonos, the celebration can extend beyond a single evening and become a complete destination wedding.

A wedding here is rarely a single day. A welcome dinner at Blue Myth on the beach, vows at Agia-Fotini or on a sea-view terrace, the reception at 1001 Nights under the stars or in Thalatta Hall for the largest guest lists, an after-party, and a recovery brunch by the pool: each moment in its own venue, your guests staying minutes away across the hotels of the collection.

CEREMONIES BY THE SEA

Vows with the Aegean as witness

Beyond the chapel, Saint John Hotel Villas & Spa opens its sea-facing terraces for open-air ceremonies: rows of white chairs on the pool deck, a floral arch against the horizon, Delos on the skyline and the sunset timed to the vows.

Civil, symbolic and religious ceremonies can be staged on the terraces around the pools, with the reception continuing at 1001 Nights or Thalatta Hall a few steps away. The same terraces host sunset cocktail hours, blessing ceremonies and vow renewals for smaller parties.

INDIAN WEDDINGS

From Mehndi to farewell brunch

From the first Mehndi to the farewell brunch, Petinos' Events Of Mykonos brings the colour, ritual and scale of a great Indian wedding to the Aegean, with multi-day celebrations planned end to end by one team and trusted specialist partners for every tradition.

THE CEREMONY

Exchange your vows beneath a Mandap facing the Aegean. The sacred fire, the Pheras, the Jaimala, the Sindoor: every ritual is honoured as tradition asks, staged with your own Pandit or one we arrange, together with specialists in Mandap design and Vedic ceremony.

THE DAYS BEFORE

A golden Haldi in the morning sun, an intimate Mehndi afternoon with artists at work, a Sangeet night of music and dance under the stars. Each celebration has its own venue, decor, menu and mood, and your guests flow effortlessly from one to the next.

THE BARAAT & THE RECEPTION

Arrive with a Baraat procession of dhol players and dancing guests, then celebrate late into the night with full event production: staging, lighting, sound, DJs and live acts. Recovery brunches, beach days and after-parties complete the itinerary.

CUISINE & TRADITIONS

Specialist Indian chefs and caterers with complete vegetarian and Jain menus, Mehndi artists, Pandits, Mandap and floral designers, choreographers and planners: we welcome the teams you bring, or arrange proven partners on your behalf.

JEWISH & KOSHER WEDDINGS

Beneath the Chuppah

From the Bedeken to the last round of the Hora, Petinos' Events Of Mykonos brings the joy, tradition and scale of a great Jewish wedding to the Aegean, with certified kosher partners and every tradition honoured.

THE CEREMONY

Stand beneath a flower-covered Chuppah facing the sea. The Ketubah signing, the Bedeken, the Sheva Brachot, the breaking of the glass: your own Rabbi and Chazzan are warmly welcome, or we arrange respected officiants on your behalf.

THE WEDDING WEEKEND

A welcome or Shabbat dinner to gather both families, a beach day in the Aegean sun, the Chuppah and reception, and a recovery brunch to close. Timing is planned around candle lighting and Havdalah, with respect for observance throughout.

THE RECEPTION & THE HORA

Dinner under the stars, speeches and blessings, and then the moment the chairs go up. Full event production with staging, lighting, sound, DJs and live acts, with Israeli and international entertainment arranged through our specialist partners.

KOSHER, WITHOUT COMPROMISE

Kashrut is arranged properly or not at all. We work with certified external kosher caterers and supervision, with dedicated kitchen and preparation possibilities agreed in advance, and every arrangement is confirmed with your Rabbi or supervising authority before you commit.

OPA! GREEK PARTY

A traditional Greek night

Add the spirit of the world-famous OPA! Greek Party to any celebration: a traditional Greek Night with live Greek music and professional dancers, plates, laughter and the whole room on its feet.

The family pioneered the island's first Greek Night parties more than five decades ago, and OPA! is their direct descendant. It takes place at Blue Myth Restaurant on Platis Gialos beach every Wednesday, Friday and Sunday through the season, and can be brought to any venue of Petinos' Events Of Mykonos as the finale of a wedding weekend, an incentive evening or a private celebration.
